Will your child be 3 on or before 31st August 2020?

We are one of three schools with nursery classes within Soham. We offer a large indoor and outdoor learning space with a Qualified Early Years Teacher and highly skilled Early Years Practitioners and Nursery Nurses. Your child can have 15 hours (5 sessions) of funded nursery education per week, taken as half days, full day sessions or a mixture of both. Extra sessions can also be purchased subject to availability. We also offer 30 hours (10 sessions) if you are eligible.

Children are part of the whole school community with opportunities to take part in school events, use the full range of school resources and access to the Early Years Forest School area. Also, we take children from the term after their 3rd birthday (January and Easter intakes) – your child could access extra terms of teacher led nursery education.

Please do not hesitate to contact school if you would like any further information. There are expression of interest forms available from the office and you can email office@weatheralls.cambs.sch.uk or phone 01353 720456.
