Drop off and collection times are staggered as per the table opposite. If you have more than one child, please drop off all of your children at the earliest time.

Pupils enter their classroom through their classroom door. The exceptions are:
- 4C will enter through the Year 4 corridor fire doors
- 4B will enter via their classroom fire door accessed from the car park (no need to enter the playground)
- Year 5 and 6 will line up at the far end of the KS2 playground, in their designated space at drop off. At the end of the day, they will be brought out in these lines, to the same space.
